## PORTABLE BASKETBALL HOOPS

Summer 2018

Portable basketball hoops are not permitted to be stored or used on public streets in the Town of Salina. These hoops not only present a hazard for those playing basketball in the road, it poses danger to motorists trying to navigate the road and the people around it. If you happen to have a portable basketball hoop on the street, the following is likely happen:

- A written complaint will be received by the Town of Salina Codes Department
- An Order to Remedy the Violation will be sent to the property owner by certified and regular mail. (This is the only notice the property owner will receive.)
- The property owner will be asked to move the portable basketball hoop fifteen feet back from the edge of the road
- If this is not done, the Town of Salina Highway Department will come and remove the portable basketball hoop and it will be destroyed

As always, if you have any other questions or concerns, please visit The Town of Salina website where you can find many issues in more detail, as it is a great resource for our residents.
