Re: Solar RFP

Town of Salina Photovoltaic Development Project – Addendum 6

It is important to the Town of Salina that any contractors or subcontractors who shall work on the Project offer apprenticeship agreements appropriate for the type and scope of work to be performed, that have been registered with, and approved by, the NYS Commissioner of Labor pursuant to the requirements found in the NYS Labor Law. Any apprenticeship agreement shall follow as a template the Suggested Standards for Apprenticeship Agreements under NYS Labor Law §815
